

PUPPY LIST

1. PIN BRUSH - RUBBER TIPPED
2. GREYHOUND COMB - COMBINATION COURSE/ MEDIUM
3. CRATE (GIRLS # 400) (BOYS # 500)
4. CRATE PAD (TO MATCH #'S ABOVE, I FIND I LIKE THE IMITATION LAMBSKIN PAD, IT'S WASHABLE)
5. OATMEAL SHAMPOO IE: EPI SMOOTH, PURE PET PURE CARE (I LIKE THE OATMEAL SHAMPOO BECAUSE IT'S NOT DRYING TO THE SKIN AND IS GOOD FOR THE SKIN.)
6. ADAMS SHAMPOO (THIS IS A FLEA SHAMPOO, I USE THIS JUST WHEN NECESSARY. I TRY TO AVOID INSECTICIDES WHEN I CAN, THIS SHAMPOO IS EFFECTIVE AND IS A PYRETHRIN BASED. PYRETHRIN IS MADE FROM CHRYSANTHEMUMS. I HAVE NOT HAD ANY BAD REACTIONS FROM USING THIS AS I HAVE HAD WITH OTHERS. WHEN USING ANY INSECTICIDE SHAMPOO'S , CHECK YOUR DOGS GUMS BEFORE YOU PUT IT ON, THEN CHECK THEM AGAIN AFTER YOU'VE APPLIED THE SHAMPOO, IF THE GUMS LOSE THE PINK COLOR THEN IMMEDIATELY RINSE THE DOG WELL. CHECK WITH YOUR VET IF YOU GIVE ANY FLEA TREATMENT LIKE PROBAN OR PROGRAM ETC.
7. WATER HOLE
8. 2 1/2 QT. BOWL
9. TOYS (DO NOT GIVE ANY TOYS THAT LITTLE PARTS CAN BE SWALLOWED. THESE ARE GOLDEN RETRIEVERS AND THEY PUT EVERYTHING IN THEIR MOUTHS. THEY LOVE STUFFIES. DON'T BE SUPRISED IF THEY TRY TO PUT SEVERAL TOYS IN THEIR MOUTH AT ONCE. FOR THIS REASON ALTHOUGH CUTE AVOID THE SMALL LATEX TOYS. HAVE PLENTY OF TOYS FOR THEY MUST HAVE ONE NEARBY TO GREET YOU WITH.)
10. RAWHIDE - AGAIN LOTS AND LARGER NOT SMALLER
11. NAIL TRIMMER & QUICK STOP
12. COLLAR FLAT ADJUSTABLE WHILE THEY ARE GROWING, THEN I RECOMMEND ROLLED LEATHER COLLAR , AS IT DOESN'T BREAK OR MAT THE FUR. FOR OBEDIENCE YOU WILL NEED A CHOKE CHAIN, WAIT TILL THERE OLDER.
13. 6' LEASH (YOU'LL NEED A 6' FOR OBEDIENCE)
14. FLEXI LEASH OR LONGLINE
15. POOPER SCOOPER
16. VITAMIN C (CHEWABLE WAFERS OR CRYSTAL'S)
17. CALCIUM CITRATE (TWIN LAB CHEWABLE WAFERS)
